Dear Mr. De Waal:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The Detailed Summary Page, on Line 18 Column A of your report, discloses \$12,618.13 in transfers from the non-federal account for joint activity for the reporting period. However, Line 21 (a)(ii) Column A discloses \$1,170.05 as the non-federal share for joint activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for shared activity, transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(e)(2) Please clarify the nature of the transfers-in from the non-federal account.

The Commission recommends that you immediately transfer back to the non-federal account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days
